AUDIT PROCEDURES PLANNING AND DEVELOPMENT

D&T performed various procedures related to completing risk assessments and review of the engagement audit plan; preparation and distribution of instructions to D&T participating offices; obtaining and importing trial balances and creating leadsheets.

ENGAGEMENT ADMINISTRATION, PLANNING AND MANAGEMENT

D&T performed various procedures related to budgeting and scheduling for the engagement; engagement planning, including updating our understanding of the Debtor; monitoring pre-approval of fees; monitoring of engagement status, preparation of open items listing for distribution and discussion with the Debtor; and coordination of various services to the Debtor.

GOVERNMENTAL REPORTS

D&T assisted in the preparation of certain mandatory government reports and certain filings of State Unclaimed Property reports. D&T's assistance with the preparation of these reports was based solely on the information, representations, data and records furnished by the Debtor and its personnel. D&T relied on the information the Debtor supplied to be accurate and complete and made no audit or other verification of the data submitted, other than asking for clarification of some of the information. D&T did not perform any management functions nor make management decisions.

IMPAIRMENT

D&T performed various procedures for substantive testing of amounts recorded to long-lived assets and goodwill including the recoverability of long-lived assets and goodwill and the measurement of impairment loss. This included audit procedures for the testing of Long-Lived Assets, Goodwill and Intangible Assets balances. These procedures included obtaining and testing account reconciliations, obtaining independent analysis, examining supporting documentation, and inquires of Debtor management.

INTERNAL CONTROL TESTING

D&T performed various procedures for the evaluation of the design of and for the testing of management's assessment and the operational effectiveness of internal controls over the Debtor's business processes for each of the operating divisions, general computer controls for six data centers, and eleven application specific general computer controls related to the requirements of section 404 of Sarbanes-Oxley.

PREPARATION OF FEE AND EXPENSE APPLICATIONS

D&T prepared monthly fee statements and the first interim fee application in accordance with the requirements mandated by the court. Included in this category is time associated with the compilation, summarization, review, and reconciliation of services provided and expenses incurred in this Chapter 11 proceeding and the preparation of court filings.

REVIEW OF AUDIT WORKPAPERS AND SUPERVISION

D&T performed various procedures related to review and supervision, including discussion with and review of work performed by engagement personnel, coordination of scheduling of engagement personnel, review of D&T participating office's reporting package and coordinating audit procedures with client personnel.
